AETN and PBS invite viewers to experience the worlds of science, history, nature and public affairs; hear diverse viewpoints; and take front-row seats to world-class drama and performances. Our March campaign is here, and we'd like to thank all of you who will be pledging your support this month. You make public television in Arkansas possible!
Dear AETN Supporter,

If you are like me, you often find yourself thinking about how much you would like to help your favorite organizations – organizations and people who are making a difference in important areas of your life.

And, if you are like me, you find it hard to give what you’d really like to in one lump sum. But, I discovered that I can do more than I thought for AETN when I looked at budgeting on a monthly basis. And I think you’ll find that as well.

It’s pretty simple! You just pick an amount that is comfortable for you to commit to on a monthly basis, decide if it is going to be done by bank draft or a debit or credit card, and let us know so we can set it up. Or you can go online to aetnfoundation.org, click on the “Sustainer” button, and fill in the appropriate information.

As an AETN Foundation Sustainer, I know that the funds I provide monthly are being used to make sure that children’s programs and online activities that have been proven effective in achieving success in school are available for my nephews. I know I am helping support programs that focus on the culture and history of Arkansas that my parents enjoy viewing. And I am making sure that I will get to continue watching exceptional British comedies and dramas week after week.

What do you value on AETN? What might you be able to do on a monthly basis to ensure that what you value continues to air? If you haven’t already done so, please consider becoming a Sustainer for the AETN Foundation.

Please know that your gifts, in whatever manner they come, are greatly appreciated!

Mona Dixon

DO YOU REALLY NEED A WILL?

Creating a plan for your future is important. Our FREE guide to planning your will or trust can help you with this process. Please contact us to request a free guide and attorney referral.

Many people think that because they don’t own enough property, they don’t need a will. But when you add up all of the assets that you own, your estate may be larger than you think.

WHY DO YOU NEED A WILL?

- A will can help you decide who will receive your property.
- You can appoint a guardian for your minor children in your will.
- A will allows you to appoint an executor to administer your estate.
- A will can help reduce taxes for your heirs and your estate.
“Dr. Wayne Dyer: I Can See Clearly Now”
Premieres Saturday, March 1, at 1 p.m.
Explore the five principles for discovering your life’s true purpose

Based on the March 2014 book of the same title, “I Can See Clearly Now” is the most personal program of Dr. Wayne Dyer’s career. Seated in a comfortable living room setting, Dyer offers an intimate and revealing conversation about events in his own life – from his childhood in Detroit to the present day. He vividly relates in unflinching detail his impressions of encountering forks in the road and takes viewers with him through these formative experiences. Dyer then reveals what he has learned from his own experiences: there are no accidents, and all the choices we make and actions we take weave a life tapestry uniquely our own. “Dr. Wayne Dyer: I Can See Clearly Now” premieres Saturday, March 1, at 1 p.m. and repeats Sunday, March 2, at 6 p.m. and Monday, March 3, at midnight.

“Daniel O’Donnell: Stand Beside Me”
Saturday, March 8, at 6 p.m.

Join the party with this celebration of Irish, country, gospel, rock, movie tunes and fan favorites.

This rousing concert celebration of Irish, country, gospel, rock, movie tunes and longtime fan favorites includes performances of “Que Sera, Sera,” “That’s Amore,” “Our Anniversary,” “Silver Wings,” “Blaze of Glory” and many more. Joining Daniel on stage is his six-piece band, back-up vocalists, and singing partner of 26 years, Mary Duff. Airs Saturday, March 8, at 6 p.m.

Ken Burns tells the story of a tiny school in Putney, Vt., the Greenwood School, where each year the students are encouraged to memorize, practice and recite the Gettysburg Address. In its exploration of Greenwood, whose students, boys ages 11-17, all face a range of complex learning differences, the film also unlocks the history, context and importance of President Lincoln’s most powerful address. Airs Tuesday, April 15. Watch your April AETN Magazine for air times.
